1. Captain Stan circulated a summary outlining the club rep responsibilities for assisting the running of the WA Vets golf competitions. He stressed that the Reps are the link to their club as they can assist greatly in the smooth running of the daily fixtures as well as in the overall planning process.
2. A pack for each club prepared by Steve Spencer was handed out. Reps to place these notices on their club's notice boards wherever possible. Also to check on them periodically as they are inclined to be moved or taken down. The importance was stressed of the Club Reps promoting their club in an attempt to secure new members.
3. Willie Henry enquired about closure time of timesheets. All fixtures will close at 6am on the morning of the fixture. Any changes after this time must be phoned through to the Captain.
4. A request was raised about being able to publish the full field results. The committee wish to encourage as many members as possible to sign up for the MiClub App, a cost of \$16.50 pa, which would greatly improve the production of the results and would provide each member with access to the full field results without the need to publish them on the website.
5. Warren Howard asked if the scores could be uploaded to Golfink quicker. Unfortunately this is done for us by the host club so out of our control. Generally they are uploaded the same day, but are slower for the few clubs that do not use the MiClub system.
6. Warren pointed out the lack of water available on the course at Meadow Springs. On courses that this is an issue, the Captain will place a notice to members at the registration desk to alert them for the need to carry water with them.
7. Willie Henry asked for clarification regarding credit card charges. Tom Grimston explained that once your card is registered, you only need to ensure your expiry date is kept current. Your card will only be charged each week after the event to ensure no one is charged if they do not play.

8. Ross Hancock explained the changes to be implemented this year in the awarding of points for the Order of Merit. Details will be placed on the website under “Results”
9. Graham Bourgault raised the point about the difficulty some members have playing of the blue tees with the carry to the fairway, and could C grade play off the white tees. This would not be practical as there would be different slope ratings involved. The Captain will endeavour to liaise with each club to request a “moderate” course setup.
