

June 2022 Newsletter

Dear WAVGA Member,

This is the latest update for members. I hope it is useful for those that are not able to stay for presentations, are unable to listen carefully or even those that may have forgotten that they were informed before.

FIXTURES AND RESULTS:

I want to focus on our excellent website and encourage you all not just to go to the fixture page and book. The results and a summary of each fixture and the results is shown under the **Members Tab** under **Captains Corner**, an innovation by our Captain, Ron Ross. Please take the time to have a look at this section to see who has been performing well as well as the numbers that attended the fixture. The results showing the winners on the day are under the **Home/Game Results tab** with the **Order of Merit Progressive Scores** which are updated from time to time.

GENERAL INFORMATION:

The Miscore App continues to grow in usage with our members and it certainly assists in results being made available more quickly. If you are still not using the App please ensure that you are not in one of the final groups on the day (if possible) as the processing of the cards at some clubs delays the list of results being finalised.

The AVGU National Championships in Mandurah 6th – 11th November.

The number of entrants for this has increased steadily and the cut off for entries is drawing near. If you intend to enter this event, please do it NOW.

We are also looking to firm up the numbers of volunteers to help run this event successfully. Please consider doing one day or possibly a few days to help on the registration desks, the results and checking desks or as a spotter on the course. This event will not run itself and we want it to be successful and be a positive reflection on WAVGA. **Please contact Graham Bourgault 0407 422 094 if you can help.**

Membership Moving Forward

We are keen to increase the number of active members as a number of them are fairly dormant and do not play often. I acknowledge that certain club members actively encourage new members to join and this is certainly appreciated. We are very close to posting an on-line Membership Form on the web site so that anybody going onto the site can fill in the form online and submit it without having to print it off and scan it through or post it. This will make for a much more seamless process and should help any prospective members. We will also be redoing the notices to go up at the Clubs which will make it clear about the ease of an online form and will also include the web address and a QR Code to be able to access the site directly without concern for printed forms.

We now have our first two female members who will be joining us at the WAGC fixture, and we encourage all of you to sign up your wife or other female members of your club. They will play in the same competition as the existing members each week in the same way that we have done with the South - West Trips. This then will bring us into line with the rest of Australia as all States and Territories in the AVGU have female members that play in their weekly competitions.

OUR SPONSORS:

Thank you to all our sponsors that you will see are clearly displayed on the Home Page of the Web Site. Please support all our sponsors wherever possible.

Our New major Sponsor Drummond Golf, has changed the way we deal with our prizes and gives all of the members much more choice with what they may want as a prize rather than just being given a certain golf ball that may or may not suit their purposes. I encourage all of you to support our major sponsor by using them for all your golfing needs. The Drummond Lifetime Membership Card which you have all received as part of your membership of WAVGA, ensures that you get the best possible price in store every time you go to a Drummond store or shop online. You also get prior notification on any sales, special deals or club fitting days. Your support will help to ensure an ongoing sponsorship deal with Drummond.

NEW MEMBERS:

We would like to welcome the following new members since the last Newsletter in August 2021.
