MINUTES    The Minutes of 10th May,88, were confirmed.

MATCH        Captain Duggan reported on the two Events at Mt Lawley on the 7th and 14th, complimented the Club and the condition of the Course on both days. The fields of 105 and 124, were considering the weather quite good, although the high numbers of members not cancelling( or leaving it to "HIT OFF" time) before doing so is unacceptable.

After a long discussion it was decided to emphasise the problem in our next Bulletin. Would all Committee and Club Representatives commit themselves to ensuring the "MESSAGE" is passed on to all Members. Particularly in view of fact that increasing Membership has resurrected the 'Reserves' problem, even though we mainly play twice at each Course in 1988.

                  Hartfield, 164 booked, 141 played.  
                  Melville Glades, 112 booked, 125 played.

Our annual S/W Trip was again most successful, Capel, Busselton and Augusta Golf Clubs all made us most welcome. 76 booked for the Capel/Busselton stage and 71 played on each event. 41 Men and 30 Ladies played at Augusta, Events most ably conducted by their Captain, Peter Grey. On both days we played with Augusta Members who made sure our visit was an enjoyable one. The Course is in excellent condition and the additions to the Clubhouse are a credit to them. On the Sunday evening a top class Barbie was enjoyed by us all, we will certainly return.

Special thanks to Joy Bridge, who not only arranged the Trophy's for the Lady's for the entire trip, but also started the field and presented the Trophy's at both Busselton days. Behind every successful man etc'.

TREASURER     Alick gave a run down on the years Finances, once again we are in a most healthy position.
