GENERAL  
BUSINESS

After a lengthy discussion on the 1993 A.G.M being held at Toowoomba during the National Championships, it was agreed that;

1 Unless we could obtain an assurance from most States that they would support sufficient funding to the A.G.U to enable Delegates from all States to attend the A.G.U, and also to ensure its continued prosperity, we were not prepared to send a Delegate.

It was decided that we would write to each State and obtain their thinking.

MATCH Captain George reported as follows. Since our last Meeting,  
events were at Royal Fremantle on 6th & 13th August, fields  
of 120 and 112. At Cottesloe 30th August, 98. All Clubs made  
us most welcome. These Events were Sponsored by Town & Country  
Bank,P.G.F and R & I Bank respectively to whom we are most  
grateful.

The Committee's decision to purchase a Facsimile Machine for  
use by the Captain has been finalised and is proving most useful,  
practically all Clubs now have these facilities, and this  
ensures our communications are greatly improved.

The Draw for the South West visit will be finalised on 15th of  
September and Clubs will be advised. The increased numbers have  
proved an embarrassment, as a consequence a ballot will take place,  
so some will be on reserve. The same % of reserves will apply  
to all Clubs.Both Capel and Busselton have agreed to accept the  
additional numbers, however both Augusta and Margaret River are  
a problem, but Veterans will get a game at one of them.

Club Championships, these will be finalised at Rockingham on the  
12th October. A list of qualifiers will be sent to all Club  
Representatives and they will be asked to contact the qualifier  
and advise Captain George if they can play.

Our next event at Melville Glades on 28th Sept' is already  
heavily overbooked, however am pleased to advise that in 1994 this  
problem will not re-occur, as we have been promised 2 days over  
successive weeks.

MATCH Captain George reported as follows. Since our last Meeting Events were held at Melville Glades (139) and Vines (96). These were Sponsored by Bunnings and Sanyo respectively. Cyril Wildy arranged for the Trophy's and organised the starting for the Glades event. Captain George was on his own for the Vines day.

The Country Visit, due to increased numbers has presented major problems, Using Dunsborough as well as Margaret River on the Monday has been most helpful. However the many on reserve raises concern for 1994, and action will be taken to offset this problem.

Captain George requests all Club Representatives to advise their Members we are using two Clubs on the Monday, and endeavour to split the numbers among both Clubs. It is most important to let him know at either Capel or Busselton the numbers involved.

Consistency Trophy - The Match Committee have decided ( due to Amateur status problems ) to alter this to a Association Trophy. However the overseas trip will still be played for using the following format, Each year our Association will nominate two Veteran's ( two best consistency player's ) to participate in the Indonesian Seniors Amateur Championship. The 1993 winners together with the 1994 winners will make a team of four play in Bali in October 94. Handara Country Club we believe.
