**MATCH**

Captain George advised that since our last meeting events have been held at ; Vines (96), Sun City (131) Lakelands, (73), & Pinjarra (79).

Championship 1994; The same procedure as in 1993, with the final names being those who played at Lakelands & Pinjarra.

Championship 1995; The Match Committee have discussed at length the current Championship format and now propose the following for 1995.

1. 2 rounds of stroke play on consecutive weeks.
2. Nomination by written application closing 30/9/95.
3. Event to be played at Sun City early November.
4. A.B.C grades Gross & Nett.
5. If excess numbers are received over a proposed field of 130, culling will be from each grade proportionally starting with the highest handicapped player in each grade.

I have had provisional discussions with Sun City and they would be able to accomodate us at a charge of \$9 per event.

Nomination forms would go to Members along with our Fixture Card and South West Trip application form at the beginning of the 1995 Season.

It was moved and seconded future Captains be permitted to have an additional telephone line installed to allow more efficient communication with Committee and Club Members. Cost would be borne by our Association.

As with the "Country Visit" form, nominations will be on a first in first served basis, and \$20 must accompany the application.

Consistency Competition-- Due to the amount of work involved , particularly as it delays the finalising of the normal competitions, the Match Committee recommends that it be abandoned in 1995.

FIXTURES 1995--

In view of the response from Members who played at the Vines this year, and the continuing escalation of the Green Fee (\$30 1995) it is suggested that this fixture be deleted in 1995.

With both of the dual events I/E Wanneroo /Kwinana and Lakelands / Pinjarra, it is recommended that they be played on separate days, with the view that we would get extra numbers and also give Members the opportunity to play at all courses.

A number of Clubs have indicated their acceptance, even preference to conduct Monday fixtures, and to this end it is recommended we apply accordingly where applicable.

COUNTRY VISIT 1995 ;

It is obvious this Event is going to increase in popularity thus increasing the overcrowding at Augusta. Some thought to a dual event on these days should I think be considered, if not for 1995 but certainly in 1996.

TREASURER.. Treasurer Alick reported ( in absentia ) that as our Auditor, Reg Connolly, was auditing our Annual Accounts, he would give a dual report at our next Committee Meeting.

NEW MEMBERS: Jack MacWilliam, Chequers.

CORRESPONDENCE ; Nil.

GENERAL BUSINESS;

After discussion on the forthcoming A.G.U to be held at Port Macquarie Golf Club on 8th November next, and the advisability of us sending a delegate, as there was no contentious matters arising, it was agreed that we would appoint a proxy. Possibly the Representative from South Australia.

Our Annual visit to the South West was as usual most successful, in all 120 men and 47 women made the trip and all spoke very highly of the programme. The addition of Donnybrook to our venues proved excellent, however obviously too far for our ladies.

The events at Nedlands and Royal Perth were well patronised, with fields of 56 and 118.

There was some concern at the Green Fees charged at Margaret River. The Secretary to mention this when booking for 1995.

It was moved by Des Broad and seconded by Boyd Anderson that the Present "Winners Championship" be continued. This being the only event which attracts our South West Veterans. After a long discussion it was agreed that this be voted on at our December meeting

APOLOGIES B.Anderson.

MINUTES Minutes of previous Meeting of 8th November  
were confirmed.

MATCH The Club Championship played at Meadow Springs  
was the only event since our last meeting.  
The winner being Neville Reid of Mt Lawley, and  
Runner-up Doug Edwards of Manjimup.

The course at Meadow Springs had been severely  
scarified which was not conducive to good golf  
and the scores reflected this. Other than this  
problem we were well received with John Hadley  
carrying out the presentations on behalf of  
Ray Turner.

The motion carried over from our last Meeting  
reference the continuance of a Winners  
Championship, after discussion, was voted on and  
the motion was lost. However the incoming Match  
Committee agreed to consider its future.

It was agreed that at our forthcoming Rep's  
meeting next February we would advise on the  
system to be used on Count-backs.

Bankwest have advised us that they will  
continue to Sponsor us, but on a reduced scale.
