MINUTES; Minutes of meeting of 6th February 1996

MATCH; Captain Bryan reported as follows;
Our 1996 year has opened up in great fashion'
Mandurah a record field of 146 (including 85 of
our own members.
The three 9 hole course Events were changed to
two, due to course problems at Chidley Point.
However the continual problem with fields at
both Sea View and Chidley, requires a change
to thinking. Up to the 1997 Match Committee.
Our first day at Lake Karrinyup with practically
a full field was an excellent day, and for today
a full field with 8 reserves promises the same.
Bryan advised that discussions with our Booking
will ensure that problems their were overcome.

Regarding our South West visit, a simplified
booking Programme has been devised which will
ensure an easier understanding of the procedure,
"we hope".

GENERAL

BUSINESS; After a long discussion on a National Magazine titled "The Veteran Golfer" it was agreed that we would pay a \$60 subscription for the 96 year, then consider whether the result was worthwhile.

Currently we pay a Affiliation fee of \$100 to the AVGU. At the last AGM, the advantage of a per/capita fee was discussed at length. The Northern Territory moved for a \$1 fee, then a 50c, then a 25c fee was accepted subject to a final decision by all States at a phone hook/up in April this year. However as both NSW and Victoria disagree with the necessity for further funding of the AVGU, it was agreed, by a majority ruling, that we continue as in the past. (\$100 per annum.)

APOLOGIES; G.Young.

MINUTES; Minutes of meeting of 19th April were confirmed

MATCH; Captain Bryan reported that since our last Meeting, three events were played, two at Mt Lawley and one at W.A.G.C. The fields at Mt Lawley of 144 and 147 were outstanding, beating all previous attendances. The 11AM start proved proved most successful, all finished in daylight. The influx of new Members in 96 has created major problems which will necessitate re-thinking of our 97 Programme. This is in hand already.

Bryan requests all Club Representatives to ensure their Members are aware of the problem at Golf Clubs giving change. Bar staff complain that we cause shortages. A complication we could do without. Please make the point to your people, some thought would be appreciated.

The South West tour is as usual heavily booked, each Club Rep' has the Application Forms, so no excuse for late Entries.

Our sincere thanks to Betty Backhouse for her assistance over past years during our South West trip, and now to Sally MacKenzie who has kindly offered to take over.
